Mar 13-meod (m) DR. MORSE'S INVIGORATING CORDIAL,
Phenomenon in Medicine.—Health Restored and Life Lengthened, by Dr. Morse's Invigorating Elixir or Cordial.

A T first the properties attributed to Professor Morse's Invigorating Elixir or Cordial were deemed fabulous. The public often deceived could not believe the simple and sublime truths announced by the discoverer. But facts, undeniable facts, attested by witnesses of the highest class and character, are now triumphing over all doubts Incredulity is overthrown by a mass of testimony

which is perfectly irresistible.

The Elixir remedies in all cases the deplorable evils arising from a misuse of the various organs which make up the wonderful machine called man. It restores to full vigor every delicate function connected with that mysterious compound agency of matter and mind, necessary to the reproduction of human life. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, enervated youth, the over-worn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will all find immediate and permanent relief from the use of this incomparable renovator. To those who have a predisposition to paralysis, it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these dethe reach of medicine. Let not even these despair. The Elixir deals with diseas

nervous diseases, and the forms of nervous dis-ease itself, are so numerous that it would require a celumn to enumerate the maladies for which this preparation is a specific. A few, however, may be enumerated, viz: neuralgia tic-doloureux, headache, incipient paralysis, hysteria, palpitation of the heart, spinal affections, muscular debility, tremors, flatulence, a pricking sensation in the flesh, numbness, torpidity of the liver, mental de-pression, weakness of the will, indisposition to move, faintness after exercise, broken sleep, and terrifying dreams, inability to remain in one-solace terrifying dreams, inability to remain in one-place or position, weaking of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, sinking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes beyond the reach of medicine.

Whenever the organs to be acted upon are free from malformation or strictural diseases, it is averred that

MORSE'S INVIGORATING ELIXIR
Will replace weakness with strength, incapacity
with efficiency, irregularity with uniform and natural activity, and this not only without hazard of
reaction, but with a happy effect on the general
organization. Bear in mind that all maladies,
wherever they begin, finish with the nervous system, and that the paralyzation of the nervous of
motion and sensation is physical death. Bear in
mind, also, that, for every kind of nervous disease
the Elixir Cordial is the only reliable preparation
known. MORSE'S INVIGORATING ELIXIR

CURE OF NERVOUS DISEASES. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions in the diseased, debilitated, and shattered nervous system, whether broken down by excess, weak by nature, or impaired by sick ess, the unstrung and relaxed organization is a once braced, revivined, and built up. The menta and physical symptoms of nervous disease vanish together under its influence. Nor is the effect temporary; on the contrary, the relief is permanent, for the cordial properties of the medicine reach the constitution itself, and restore it to its normal condition. Well may the preparation be called the

MEDICINAL WONDER Of the nineteenth century. It is, as the first scientific man in the world would have admitted, that miracle of medicine heretofore supp have no existence.
A STIMULANT THAT ENTAILS NO RE

ACTION.

Its force is never expanded, as is the case with opium, alcoholic preparations, and all other excitants. The effect of these is brief, and it may well be said of him who takes them: "the last state of that man is worse than the first." But the Elixir is an exhilarant without a single drawback—safe in its operation, perpetual in its happy influence upon the nerves, the mind, and the entire organization; it will also remove depressions, excitement, a tendency to blush, sleeplessness, dislike of society, incapacity for study or business.

LOSS OF MEMORY,

Confusion, giddiness, rush of blood to the head, melancholy, mental debility, hysteria, wretchedness, thoughts of self-destruction, fear of insanity, hypochondriasis, dyspepsia, general prostration, irritability, nervousness, inability to sleep, diseases incident to females, decay of the propagating func-tions, hysteria, monomania, vague terrors, palpi-tation of the heart, impotency, constipation, &c., &c., from whatever cause arising it is, if there is any reliance to be placed on human testimony, lutely infallible
